## Assessment Summary

**Floyds Fork 34.1 to 40.1**  
**KY492278_04**

**Long Run to Chenoweth Run**

This part of the stream fully supports aquatic life, does not support swimming (Primary Contact Recreation), does not support fishing/wading/boating (Secondary Contact Recreation).

**Jefferson County, Salt River Basin**

**HUC 05140102**

**Assessment Date: 4/28/2014**

---

1 Data locations: Physical/chemical monitoring data and pathogen data can be found on the EPA Water Quality Portal; chemical monitoring data for regulated facilities (e.g. wastewater and drinking water) can be found in the EPA ECHO database (online); biological monitoring summary scores and habitat assessment scores can be found in the EPA STORET database (online); and raw community species data and fish tissue analysis data are available on request through KDOOW Open Records (expected in STORET 2015).

2 Data Source(s): KDOOW PROB, USGS

3 Data Collection Date(s): 7/12/2012
